

Nu-Bio Cal™

All Surface Cleaner and Calcium Remover for Floors and Carpets

Description

Nu-Bio Cal™ is an all surface cleaner and calcium remover for floors and carpets. Concentrated. Removes calcium deposits. **FOR PROFESSIONAL USE ONLY.**

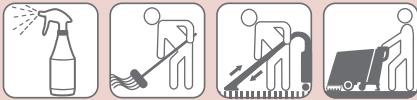

Benefits

- High efficiency with no damage to soils.
- Safe for users and the environment.
- Product is concentrated, so it requires less packaging.

pH 7

Directions

1. Dilute with cold water. **2.** Clean the floors with a mop. Use an extraction machine for carpets. Can also be applied using a scrubber dryer.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.
