

# Nu-Bio Scrub™

Descaler and Cleaner for Soap Scum and Scale Residues

## Description

**Nu-Bio Scrub™** is a descaler and cleaner for soap scum and scale residues. Contains no VOC's and is concentrated. Can also be used on stainless steel. **FOR PROFESSIONAL USE ONLY.**

## Benefits

- A more effective alternative to corrosive acids.
- Safe for users, gentle on finished surfaces and the environment.
- Product is concentrated, so it requires less packaging.

pH 3,5

## Directions

**1.** Dilute the product. **2.** Clean and rinse. For stubborn stains, let the solution work for a few minutes, scrub if necessary and rinse.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.

## Product Code and Packaging

15728	900 mL - 30.4 FL oz	6 Units
