

# Nu-Kleen All Agro™

All Surface Cleaner and Degreaser  
for the Food Processing Industry

## Description

**Nu-Kleen All Agro™** is an all surface cleaner and degreaser for the food processing industry. No VOC's. Concentrated. **FOR PROFESSIONAL USE ONLY.**

## Benefits

- Approved for food contact surfaces.
- A more effective alternative to alkaline degreasers.
- Safe for users, gentle on finished surfaces and the environment.

pH 7

## Directions

Use according to the established steps of your cleaning protocol.  
**1.** Rinse surfaces. **2.** Apply with a foam gun or other suitable equipment. **3.** Scrub as needed. **4.** Rinse. Surfaces in contact with food must be rinsed with potable water before reuse.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.
