

Nu-Super Trap™

Grease Trap Treatment

Description

Nu-Super Trap™ is a grease trap treatment without VOC's. Concentrated bacterial formulation that eliminates odors and quickly biodegrades fat accumulations and other organic residues in grease traps and connected pipes. **FOR PROFESSIONAL USE ONLY.**

Benefits

- Reduces grease accumulation and the need to empty grease traps as often.
- Reduces the risk of conduits getting blocked.
- Reduces unpleasant odors.

pH 7

Directions

Use manually or with an automated micro-aeration system. Pour 4 oz/250 gal per day.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.
