

# InnuScience™

## Nu-Descaler

A powerful, thick clinging toilet cleaner, sanitiser and descaler. Kills germs, removes limescale and organic deposits.

### Uses:

Suitable for use on toilet bowls, urinals and general descaling.

### How to use:

For regular cleaning and descaling: Remove the water from the bowl by forcing below the trap with a toilet brush, or removing with a mop. Pour neat product around the bowl, paying particular attention to under the rim and the water outlet. Give dwell time, then agitate thoroughly with toilet brush before flushing.

For best results, give maximum dwell time.

### Urinals

Apply directly to the surface of the urinal. Give dwell time then agitate with a toilet brush to remove stubborn stains. Leave to flush, or rinse away.

### Health & Safety:

Warning: Causes serious eye & skin irritation. Wear eye protection. Wash hands thoroughly after handling.

IF IN EYES: Remove contact lenses & rinse for several minutes. If irritation continues, seek medical advice.

Read the MSDS sheet before use.

**Keep out of the reach of children**

### Technical Data

<b>Appearance:</b>	<b>Liquid</b>
<b>Colour:</b>	<b>Green</b>
<b>Density:</b>	<b>1.095</b>
<b>pH:</b>	<b>&lt;2</b>
<b>Fragrance:</b>	<b>Lemon / Apple</b>
<b>Stability:</b>	<b>18 Months</b>

### Biodegradability

All surfactants used in InnuScience products meet the requirements of the EU Detergent Directive 2005 - 2004/648/EC. This requires all surfactants to break down both quickly and completely into harmless material such as CO<sub>2</sub> and water.
