

Nu-Pro Kleen™

Eco-Friendly Industrial HP Cleaner

Description

Nu-Pro Kleen™ is an industrial eco-friendly cleaner for heavy work in the industrial sector. It is ideal to use in sectors like transport, timber, metallurgy, mining, etc. **Nu-Pro Kleen™** favorably replaces all types of ultra powerful solvents and chemicals detrimental to the environment and the workers' health. **FOR PROFESSIONAL USE ONLY.**

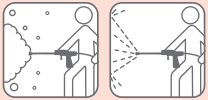

Benefits

- Very effective on mineral oils, heavy greases and stubborn stains.
- A more effective alternative to solvents and alkaline degreasers.
- Very low odour and low VOC content.

pH 11,5

Directions

It is recommended to apply **Nu-Pro Kleen™** with an air pump or any other conventional equipment. Its viscosity makes it easy to stick to vertical surfaces and inaccessible places. According to the type of dirt accumulated, it is recommended to let **Nu-Pro Kleen™** stand for 1 to 5 minutes and rinse with an industrial high-pressure washer. **Nu-Pro Kleen™** can be diluted at 1:10 or used pure, directly on surfaces, as needed.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.

Dilution Guideline

Heavy Cleaning			Pure 1 : 10	100 ml / L water
