

TRIO KLEEN™

With only three InnuScience products, your cleaning teams are able to cover almost all cleaning needs. **Trio Kleen™** solution combines safety for users, a minimal impact on the environment as well as providing a unique level of biotechnology performance for cleaning.

Nu-Action 3™

Quickly deep-cleans and degreases any surface.

CLEANER AND SUPER DEGREASER

DESCRIPTION

Nu-Action 3™ is a powerful biotechnology-based degreaser designed to remove stubborn stains, and to quickly deep-clean and degrease any surface. Its action is continuous and it eliminates odours.

USE

Nu-Action 3™ is ideal for tough cleaning jobs in schools, administrative offices, automobile mechanics workshops and public spaces. **Nu-Action 3™** is a pH-neutral degreaser that can also be used to clean protective flooring. For use in food facilities: avoid food contamination during use and storage of the product. Do not use on surfaces that come into contact with food.

Nu-Kleen Smell™

Spotless restrooms without urine smell.

ALL PURPOSE AND ALL SURFACE CLEANER
